Chatburn Water From The Clubhouse

Clitheroe Canoe Club is located halfway between Preston and Skipton just off the A59, and sits below the famous Pendle Hill. It is a beautiful location to spend a Sunday afternoon playing polo. Clitheroe's management committee have offered to run a barbeque, so food and refreshments will be available. If you wish, you can bring along your own picnic.

Chatburn Water is just 1 mile west of Chatburn at the junction of Sawley Road and the A59. Directions to Chatburn Water site can be found in the "Finding Us" section of the Clitheroe Canoe Club website www.clitheroecanooclub.org.uk

Registrations will be welcome from both teams and individuals. If you can't get a team together we'll create some scratch teams of similar ability and experience on the day.

We will be running competitions for

- Under 16 Novice (male & female mixed)
- Under 16 Experienced (male & female mixed)
- Adult Novice (male & female & mixed)
- Adult Experienced (Male & Female)

Polo boats, paddles, helmets with face guards, buoyancy aids, and decks will be available to borrow on the day.

Remember, this intended to be a fun event (the emphasis is on Polo and Party), not a mega serious polo tournament, come along have a play....or just watch, everyone is welcome.
